

Instructions for using the UCHS Dial-up Media System.

We now have a media system that can broadcast VHS and DVD movies. The media system filters profanity and is controlled by the phone system. There are two VCR's and two DVD Players. If you wish to use the system please submit the DVD or VHS tapes to the local Technology Dept and follow the instructions below.

The following instructions should help you use the VCR's and DVD Players.

- 1) Turn your TV to the designated channel
- 2) Dial the number of the designated player
- 3) Wait for the beep
- 4) Control the player with your phone key pad
- 5) Press 0 and hang up to release the player
