Union County Schools
Paulette Elementary School
 1001 Maynardville Highway
 Maynardville, Tennessee

Estimated completion May 2011
 Project cost = \$5,684,500
 55,419 Square feet
 Core capacity = 750 students
Cost per student = \$7,579.33
 74 square feet per student

The Union County Board of Education hired Michael Brady Inc. to develop two new elementary schools to replace and add to the current aging elementary schools in the county. Paulette Elementary School will be sited on 17 acres along Highway 33 in the southern portion of the county. The elementary school has a 750 core capacity with a student population of 550 students and a capacity with additions of 200 more students. The design includes a secure main entrance/administrative area, 24 classrooms, full size gymnasium with a stage and a cafeteria that seats 240 students. **The project cost listed above includes all site work, kitchen equipment, smallwares, exterior drop off/pick up canopies, children's playground equipment and interior graphics.**

Mr. Wayne Goforth, Union County's Director of Schools, had nothing but the highest praise for Michael Brady Inc. during the planning stage of the project stating he was, "...**particularly impressed with (Michael Brady's) practical, functional, and affordable school design,**" as well as grateful for our involvement by having, "...**voluntarily attended numerous school board and county commission meetings to help sell our project,**" and, "...**planned and conducted four community meetings in various locations of our county.**"
